

## Synopsis:

Brought to this time accidentally by an experiment gone awry, Blundar the Barbarian learns to adapt to our modern society. The creator of Blundar's situation is the brilliant ( but cheap and thereby constantly screwing up because thereof ) Captain Neutron. Neutron heads up a bunch of interstellar free thinkers who go by the handle: "the Cosmic Rangers". A high falutin' name but they're essentially a group of larcenous, opportunistic thugs. Today, Blundar gets domestic as he relays to you the
